

On Saturday, June 23, HDS hosted a member reception with George Williams, USDF President, at WV Dressage in Waller, TX. A lively group of HDS members and friends attended. George talked about the recent success of USA high performance riders along with other dressage trends. He welcomed questions then generously allowed his photo to be taken many times. George hasn't come to Houston often in the past but we hope he comes back soon!

Guess Who?
