

# “Battle of the Barns” Auction

Show your barn spirit! Each barn in Region 9 is invited to bring a basket filled with goodies to auction off at championships. Items do not need to be horse related....anything goes! Label the basket (or other container) with the barn name and fill it with items not to exceed \$100 in value. Barns may donate more than one basket. The barn donating the basket with the highest auction price will be awarded a free tack stall at the HDS show of their choice (CDI and championship stabling excluded). Proceeds benefit Region 9 FEI Jr/Young Riders.

Baskets will be displayed in the Upstairs Gallery of the Main Arena beginning on Friday. The auction will close after the Saturday night dinner.
